

# Out and About Tuesday

## Don't make a fuss! Just get on the bus!

At Fina Club, getting out and about in the community is a key part of what we do.

'Out and About Tuesday' is the day we get active in the great Queensland outdoors.

Climb aboard the Fina Club bus for a visit to a historical village, a picnic in the park, a farm visit or a trip to the beach.

Walk, talk, paddle in the water, play games on the beach, build a sandcastle.

**With our bus and our beach wheelchairs, we could end up anywhere!**

**The right place at the right time!**

Fina Club's Out and About Tuesday activities run between 9am and 4pm—and are organised around the four seasons—winter, spring, summer and autumn.

Our program runs between 11 and 13 weeks depending on public holidays.
